

Organise a fun sweepstake with colleagues, friends and family and help raise funds for Street Soccer.

Running a sweepstake is a great way to enhance your enjoyment of the World Cup and is nice and easy to organise:

- Print this sweepstake kit.
- Ask everyone taking part to donate (we have suggested £5 but you can decide) then they pick one team out of a hat at random per entry.
- As the organiser, use the team sheet below to keep a list of who is taking part and what country they have picked.
- After the World Cup Final you can award the winner a percentage of the money raised from the game, or a non-monetary prize of your choice.
- Make your donation to Street Soccer [HERE](#).

→ Suggested Donation
£5 PER ENTRY.

Based on £5 entry and 48 players we recommend that a prize of £90 be awarded to the winner and a donation of £150 can be made to Street Soccer

DID YOU KNOW...

£150 can provide football kit for a player, helping them feel like they belong and are part of a team.

Sweepstake information and guidance

Sweepstake competitions can be a fun way to bring your colleagues, friends and family together and raise money for Street Soccer.

Before you start, there are some basic rules and guidelines you will need to follow if you plan to run your sweepstake and fundraise below.

- The entry price to participate in the sweepstake must be the same for all participants.
- The person organising the sweepstake and participating individuals must all be over 16.
- You need to decide before running your competition if the entry money will be split between the winner and the Charity (Street Soccer) or if you will have a separate prize with all entry fees going to the Charity. Whichever approach you take, participants must be informed before they enter, and you, as the organiser, cannot make a profit from the sweepstake – the raised funds will need to be donated.
- If running your sweepstake at work, participants in your office sweepstake must all be employed to work from the same location.
- If running your sweepstake at home, participants in your sweepstake must all live on the same premises as the organiser.
- You are only permitted to promote the sweepstake on the premises where it is taking place.
- You are not permitted to and must not sell entry on the street or from house to house.

For more information on the rules and guidance of running your sweepstake, please visit the Gambling Commission website, www.gamblingcommission.gov.uk, or contact a member of our fundraising team by emailing info@streetsoccer.org.uk
